DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4 and 6-9 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or fairly suggest, either singularly or in combination, at least the limitation "a gate electrode provided on the gate insulating film and formed with a P-N junction including a P-type semiconductor region and an N-type semiconductor region, the P-N junction extending parallel to a source-drain direction of the source region and the drain region, wherein the gate electrode includes a first gate portion provided above the channel region and a second gate portion provided in the semiconductor device overlying outside of a region which consists of the channel region, the source region and the drain region, and the second gate portion includes the P-N junction."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Quang D Vu whose telephone number is 571-272-1667. The examiner can normally be reached on Monday-Friday.
